Your Letter:

Make the most of writing to your student by following these simple tips:

- Write plainly and clearly. You may use this form or your own stationery.
- Write about things that your sponsored student would enjoy reading, such as family, pets, work, church, hobbies, and food. Encourage your student's learning and relationship with the Lord. Please do not discuss politics or governmental issues.
- **Please do not ask your student if there is anything they need or desire. Your sponsorship meets their needs and they are taught not to ask for things.**
- Send photos of yourself and your family. Dress standards may be different in your student's country so please send pictures where everyone is dressed modestly.
- **To ensure your privacy, please do not include your address or contact information.**

Letter writing directions can be found at cotni.org/faqs/sponsorship.

Mail is sent to our countries every few months with staff and teams that visit. Therefore, it may take several months for you to receive a letter back.

Place your letter in an envelope with your student's name and reference number. Then, place that envelope into another envelope addressed to Children of the Nations, P.O. Box 3970, Silverdale, WA 98383. Thank you for writing!
