INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Children of the Nations

Report on the Financial Statements

We have audited the accompanying statement of financial position of Children of the Nations (a nonprofit organization) as of December 31, 2013 and 2012 and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Children of the Nations as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

NOTE 1

NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Operations

Children of the Nations (the Organization) is incorporated as a non-profit corporation. Its mission statement is to partner with nationals to provide holistic Christ-centered care for orphaned and destitute children, enabling them to create positive and lasting change in their nations. The locations of operations include the headquarters in Silverdale, Washington and offices in Seattle, California, Oregon, Oklahoma, Florida, Massachusetts, Ohio, Colorado and Nebraska.

The organization directly supports, through financial and organizational resources, foreign aid non-governmental organizations (NGOs) in the Dominican Republic, Malawi, Sierra Leone and Uganda. These organizations are separate legal entities from Children of the Nations (USA) with separate audited financial statements and are registered in their respective countries. The organization has applied for NGO status in Haiti but is still waiting for approval from the country.

Basis of Accounting

The Organization has adopted a policy of preparing its financial statements in accordance with generally accepted accounting principles. The financial statements have been prepared on the accrual basis of accounting.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117 (ASC 958), "Financial Statements of Not-for-Profit Organizations". Under SFAS No. 117 (ASC 958), the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted net assets.

Unrestricted net assets include unrestricted revenue and contributions received without donor-imposed restrictions. These net assets are available for the operations of the Organization and include both internally designated and undesignated resources.

Temporarily restricted net assets include revenue and contributions subject to donor-imposed restrictions that will be met by the actions of the Organization and/or the passage of time. When a restriction is satisfied or expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as "Satisfaction of purpose restrictions".

Permanently restricted net assets include contributions and other inflows of assets whose use by the organization is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the organization.

NOTE 1

**NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (continued)**

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Inventory

The Organization receives donations of food, equipment and supplies, which are recognized in the financial statements as in-kind contributions in accordance with SFAS No. 116 (ASC 958), "Accounting for Contributions Received and Contributions Made". Additionally as required, donated inventory consisting of food, equipment and supplies are valued in the financial statements at their estimated value, which was \$71,460 at December 31, 2013 and \$126,723 at December 31, 2012.

Food inventory is valued based on an estimate of the number of pounds and an estimated price per pound. Inventory consisting of equipment and supplies is based on an estimated value as determined by management. Purchased inventory is valued at cost.

Property and Equipment

Property and equipment are stated at cost if purchased and fair market value if donated. Vehicles are stated at fair market value if retained by the Organization or subsequent sale price if immediately sold. Property and equipment is depreciated using the straight-line method over the following estimated useful lives:

Buildings	39 years
Equipment	3 to 7 years
Vehicles	5 years

Assets constructed or purchased for foreign aid NGOs are not reported as assets of Children of the Nations (USA). Rather, they are listed as expenses of the Organization to support the foreign aid NGOs.

NOTE 1

NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions

The Organization accounts for contributions in accordance with the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 116 (ASC 958), "Accounting for Contributions Received and Contributions Made". In accordance with SFAS No. 116 (ASC 958), contributions received are recorded as unrestricted or temporarily restricted depending on the existence and/or nature of any donor restrictions. Restricted net assets are reclassified to unrestricted net assets upon satisfaction of the time or purpose restrictions.

Donated services are recognized as contributions in accordance with SFAS No. 116, "Accounting for Contributions Received and Contributions Made", if the services (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Volunteers provided general office and administrative support throughout the year that were not recognized as contributions in the financial statements since the recognition criteria under SFAS No. 116 (ASC 958) were not met. The Organization tracks the professional services provided by medical teams, counselors, teachers, construction contractors, lawyers and accountants. The total of these donated services for 2013 was \$671,730 and \$482,924 for 2012.

Functional Allocation of Expenses

The costs of providing the services and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated to the program and supporting services benefited.

Federal Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and has been classified by the Internal Revenue Service as a not for profit organization and is not classified as a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code.

Management evaluated the Organization's tax positions and concluded that the Organization had taken no uncertain tax positions that require adjustment to the financial statements. The Organization's income tax returns are generally subject to review and examination by federal tax authorities for the previous three years.

**CHILDREN OF THE NATIONS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2013 AND 2012**

NOTE 2

CONCENTRATION OF CREDIT RISK

The Organization maintains significant cash balances at financial institutions. The FDIC has provided unlimited coverage to all non-interest bearing accounts in 2012 and coverage up to \$250,000 per depositor in 2013. As a result, the Organization, as of December 31, 2013, has a concentration of credit risk in the amount of \$1,706,237 and, as of December 31, 2012, does not have concentration of credit risk.

NOTE 3

PLEDGES RECEIVABLE

Pledges receivable consist of all pledges outstanding and payable made by individuals or groups to contribute a certain amount of money for child sponsorship to the Organization. The Organization's policy is to record as pledges all recurring sponsorship commitments that will occur during the following year. All pledges receivable are considered to be collectible and receivable within one year.
